*The health care price for any given health care service is an estimate. The actual charges for the health care service is an estimate. The actual charges for the health care service are dependent on the circumstances at the time the service is rendered. If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided at a BCH health care facility. If you are not covered by health insurance, you are strongly encouraged to contact our Patient Financial Services professionals (hospital charges) at 303-415-4700 or CMA Physicians of BCH (physician clinic charges) 303-415-4766 to discuss payment options prior to receiving a health care service from a BCH health care facility since posted health care prices may not reflect the actual amount of your financial responsibility.
